REFQUIZ 2020, a national level quiz competition arranged by Indian Society of Heating Refrigeration and Air Conditioning Engineers (ISHRAE) Kolhapur Sangli Sub-Chapter and SITCOE Yadrav has put a new record among all the previous events considering all the concerns. The objective of the event was to make the quarantine time more fruitful and to create awareness about the Basics of Refrigeration and Refrigeration System.

It was held on 30th May 2020 and was conducted through purely online mode. Participants have had to register for the same via registration link with which all their details were collected. The organizer committee created a Google Form including the questions for the quiz. The links of the same were provided to the participants via their E-Mails. They had to complete the quiz within any of the 30 minutes from 12:00 pm to 11:59 pm on the same day. It was consisting of 25 questions which were based on Basics of Refrigeration and Refrigeration systems. The duration of the competition were set flexible considering participants' overwhelming response.

The most precious thing about the REFQUIZ 2020 is that it has got tremendous number of participants in the count of 1500+. The registered participants were from the variety of background such as technology students, professors as well as industry persons. Almost all the registered participants attended the competition. The participants secured more than 40% score were considered as pass. More than 70% of the attendants passed the quiz and were provided with an attractive certificate.

Overall, the competition can be concluded as a successful event which can be set as a successful parameter for the future ones.
