The Principal  
Sharad Institute of Technology College of Engineering,  
Yadav, Behind Omkareshwar Temple, Yadav- Ichalkaranji,  
Tal:- Hatkanangle, Dist:- Kolhapur- 416121,  
Maharashtra.

Subject: Accreditation status of programmes applied by Sharad Institute of Technology College of Engineering, Yadav, Behind Omkareshwar Temple, Yadav- Ichalkaranji, Tal:- Hatkanangle, Dist:- Kolhapur- 416121, Maharashtra.

Sir,

This has reference to your application I.D. No. 3225-01/11/2018 seeking accreditation by National Board of Accreditation in Tier-II format to UG Engineering programs offered by Sharad Institute of Technology College of Engineering, Yadav, Behind Omkareshwar Temple, Yadav- Ichalkaranji, Tal:- Hatkanangle, Dist:- Kolhapur- 416121, Maharashtra.

2. An Expert Team conducted on-site evaluation of the programs 15<sup>th</sup> to 17<sup>th</sup> March, 2019. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The competent authority in NBA has approved the following accreditation status to the programs as given in the table below:

Sl. No.	Name of the Program (S) (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Mechanical Engineering	Tier-II June 2015 Document	Accredited	Academic Years 2019-2020 to 2021-2022 i.e. upto 30-06-2022	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the competent authority, whichever is earlier
2.	Computer Science and Engineering		* Accredited		

\* Observations made during the course of evaluation are indicated in Annexure to this letter.

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The programs have been granted accreditation for three years. Sharad Institute of Technology College of Engineering, Yadav, Behind Omkareshwar Temple, Yadav- Ichalkaranji, Tal:- Hatkanangle, Dist:- Kolhapur- 416121, Maharashtra should submit the Compliance Report at least six months before the expiry of validity of accreditation mentioned above to be eligible for consideration by the concerned Committee in NBA for further processing of the accreditation status. This could entail further extension of accreditation or a revisit, as deemed appropriate by NBA Committees.

 Contd/...

5. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to **Sharad Institute of Technology College of Engineering, Yadrav, Behind Omkareshwar Temple, Yadrav- Ichalkaranji, Tal:- Hatkanangle, Dist:- Kolhapur- 416121, Maharashtra** as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is **program accreditation and not Institution accreditation**. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

**NOTES TO ACCOUNTS FORMING PART OF AUDIT REPORT FOR THE YEAR ENDED  
31. 03. 2019**

1. Preparation of these financial statements is the responsibility of the management. Our responsibility is to express the opinion on these financial statements based on books of accounts produced for our verification. We have conducted the audit in accordance with auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit includes examining on a test basis an evidence supporting the transactions and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the management as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion based on such checks as we considered appropriate and our interpretation inter alia of judicial and semi-judicial pronouncements, circulars, GR issued by the Institute of Chartered Accountants of India.
2. We have relied upon the certificate of trustees & respective authorities of units in respect cash in hand and assets as on 31.03.2019
3. In respect of branches, self made vouchers to be properly authorized by Principal or concerned Departmental Head. Internal transfer vouchers should be maintained for transfer of cash from one unit to another.

CHARITABLE TRUST, JAYSINGPUR, TAL SHIROL, DIST  
KOLHAPUR**

**NOTES TO ACCOUNTS FORMING PART OF AUDIT REPORT FOR THE YEAR ENDED  
31. 03, 2018**

1. Preparation of these financial statements is the responsibility of the management. Our responsibility is to express the opinion on these financial statements based on books of accounts produced for our verification. We have conducted the audit in accordance with auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit includes examining on a test basis an evidence supporting the transactions and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the management as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion based on such checks as we considered appropriate and our interpretation inter alia of judicial and semi-judicial pronouncements, circulars, GR issued by the Institute of Chartered Accountants of India.
2. It was not possible for us to verify cash in hand and assets as on 31.03.2018 of trust as well as the units. We have relied upon the certificate of trustees & respective authorities of units.
3. In respect of branches, self made vouchers to be properly authorized by Principal or concerned Departmental Head. Similarly system of material requisition slip from concerned department for incurring expenditure has not been properly followed. Due to this bills we have not classified in accordance with departments & courses pursued. Internal transfer vouchers should be maintained for transfer of cash from one unit to another.
4. The balances of Trust & Units are subject to confirmation certificates for receivables, sundry creditors, salary advance as appearing in the balance sheet which has not made available to us.

5. The Trust has amounts accepted, repaid, payments of expenses in excess of Rs. 10000/- are made by account payee cheque / draft, cannot be confirmed due to evidence made available for our verification.
6. The units of Trust has executed some of the expenses towards units in cash & recorded in the books only when the same is paid, therefore accrual system of accounting is not followed with due care. Due to this some prior period expenditure have also been recorded during the financial year. Expenses like advertisement, cleaning & sanitation, hospitality etc at various units are incurred in cash. It should pay such expenses by account payee cheque/ account payee draft only/ online electronic clearing system (NEFT/ RTGS).
7. The trust execute through units, payments of scholarships which should as far as possible be made by cheques & amounts should be straightly credited to the respective bank accounts of students.
8. We have not been provided with the data base as required by us with respect to fees payable by students fitting in various caste & economy class. The same has also not been provided in respect of scholarship payments. Hence the break up in the nature of outstanding fees, fees received in advance, scholarship adjusted against tuition fees, refundable scholarship etc is not available. Hence we have not commented on the same. Similarly it is not possible to reconcile the data as regard to fees prescribed, fees collected, fees refunded, excess or short collection of fees etc.
9. The trust has not deducted TDS on interest payment made to Cholamandalam Finance & Harvesting & Transportation Expenses. At Sharad Institute of Technology College of Engineering, Sharad College of Agriculture, Sahakarratna Shamraoji Patil (Yadavkar) Industrial Training Centre there is delay in deduction of tax at source, in respect of some of the contractual payments & professional fees paid. The deducted tax has also not been deposited within due time. Similarly the units has not deposited the statutory dues like Provident Fund, Professional Tax of employees in due time specified under respective Acts.

10. The Trust unit has accepted/repaid unsecured loans. While accepting these loans no formal agreements are entered into with the lenders. The same is also not ratified by resolution by Trust. Therefore whether the Principal or Executive Director is required authorities to accept the loan is also not known. Necessary permission from concerned government regulators is also not obtained for accepting these loans. Similarly College of Engineering has advanced an amount of Rs. Eleven Lakhs to Kolhapur Zilha Shetkari Vinkari Sut Girni Ltd. This amount is outstanding. This amount should be recovered at the earliest also interest was not charged. The institution has taken unsecured loans from others due to shortage of funds and paying interest for the same.
11. The Trust unit has accounted for sugarcane bill from Sharad SSK. However there is no formal understanding agreement entered between trust & college for use of agricultural land & income to be recognized. The trust has also received sugarcane advance from Sharad SSK also there is no internal control and procedure followed for agriculture land expenses. There is no proper Separation of crop wise expenses.
12. The Trust unit has executed salary to staff properly recorded in a separate salary register @ 20% of due salary, neither register nor receipts are properly maintained for the examination fees, scholarships received from & paid to the students. However unpaid salaries for FY 2016-17, 2017-18 are credited to Income & Expenditure A/c as on appropriation basis.
13. The trust & some of the units has maintained the accounts in Tally ERP system. While making entries in the software, authority levels were not fixed as for entries & basis. This is very important for having control & security of data entry, data modification & other issues relating with security. In respect of units some of the entries are passed through journal, hence deductions through salary like provident fund, professional tax, Life insurance premium, Income tax deductions etc do not appear correctly in Receipt & Payment A/c. Units viz engineering colleges are using accounting software, which is customized as per the requirements for accounting as well as generation of receipts of fees paid by students. Manual receipts are also issued when the software is having some technical problem. However there is no formal 'Authorization' process or any

Access Control Mechanism norms while inputting the data. Due care needs is necessary while handling input the data on daily basis.

14. The trust has made payments to related parties for various services provided by the service providers. This includes payment made to Sharad Fuels, Daily Jagrut Lokneta & M/s Shanti Engineering Works which are respectively owned by the trustee & executive director. Monetary transactions are also entered into with other trustees and units having common managerial personal which includes transactions entered into with Sharad Cotspin, Kolhapur Zilha Sut Girani. Some of the payments are made in cash & hence related party payment could not be quantified. Interest on deposit held with Kolhapur Jilha Sahakari Sut Girani is not realized. The same is continuously accounted on accrual basis.
15. The Trust units should maintain Fixed Assets & deadstock register neatly. Coding on assets is not proper. Sometimes there are inter-departmental transfers for administrative convenience, however record of the same is not maintained properly. The college should record, in respect of receipt with bills of purchase & codify the same departmentally.
